**Maximum Working Pressure:**

250.0 pounds per square inch

**Furnished Data:**

Liquid level

**Data Furnishing Method:**

Clear window

**Special Features:**

Drain cock furnished; automatic; flange; connection 3/4in. Size of glass o.D. 3/4in.

**Material:**

Copper alloy

**Media For Which Designed:**

Water

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A43400
