Overall Length:

0.800 inches

Overall Height:

0.800 inches

Overall Width:

0.800 inches

Gravity Unit Range:

-50.0/+50.0

Special Features:

Operating temp. M29 degc to p77 degc; housing material aluminum; housing sealing epoxy; four pin male electrical connector on the side; 10-32 mounting thread size

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T145-c
