Overall Length:

2.150 inches

Overall Width:

1.700 inches

End Application:

Electric power generation system

Special Features:

Rugged, general purpose; corrosion resistant; esd protection; miswiring protection; case matt: stainless steel; voltage: 18-30 vdc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T145-c
