**Overall Length:**

2.150 inches

**Overall Width:**

1.700 inches

**End Application:**

Electric power generation system

**Special Features:**

Rugged, general purpose; corrosion resistant; esd protection; miswiring protection; case matt: stainless steel; voltage: 18-30 vdc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T145-c
