Diameter:

2.255 inches

Length:

10.000 inches

End Application:

F-15i aircraft

Presentation Type:

Counter and dial

Scale Range:

+0.1/+14000.0 pounds single indicator single scale

Electrical Connection Quantity:

1

Product Name:

Indicator, repeater, liquid quantity

Special Features:

Manufactured per mcair spec. Ps 68-58-0104 rev e, display indicates pounds of fuel x 1000, case per ms33638, 2 inch, off indicator included with totalizer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A533y0
