Connector Manufacturer Code:

11520

Actuation Method:

Buoyancy

End Application:

Switch, liquid level

Electrical Connection Type:

Connector receptacle

Connector Identification:

11520

Mounting Position:

Horizontal

Relay:

Not included

Liquid Type For Which Designed:

Water

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T109-d
