Terminal Quantity:

2

Overall Length:

14.240 inches

End Application:

2320-01-371-9583, truck, vehicle system, 1 1/4-ton (hmmwv)

Electrical Connection Quantity:

2

Special Features:

Nha engine fuel tank; temperature range: -50 degrees f to +220 degrees f; sleeve color red

Precious Material And Location:

Electrical contact silver

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T145-b
