**Terminal Quantity:**

2

**Overall Length:**

14.240 inches

**End Application:**

2320-01-371-9583, truck, vehicle system, 1 1/4-ton (hmmwv)

**Electrical Connection Quantity:**

2

**Special Features:**

Nha engine fuel tank; temperature range: -50 degrees f to +220 degrees f; sleeve color red

**Precious Material And Location:**

Electrical contact silver

**Precious Material:**

Silver

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T145-b
