## NSN 6680-01-484-5367

Liquid Quantity Transmitter - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6680-01-484-5367

2 Overall Length: 14.240 inches End Application:
14.240 inches
End Application:
2320-01-371-9583, truck, vehicle system, 1 1/4-ton (hmmwv)
Electrical Connection Quantity:
2
Special Features:
Nha engine fuel tank; temperature range: -50 degrees f to +220 degrees f; sleeve color red
Precious Material And Location:
Electrical contact silver
Precious Material:
Silver
Shelf Life:
N/a
Unit Of Measure:
<del></del>
Demilitarization:
No
Fiig:
T145-b
