Overall Length:

2.500 inches

Overall Width:

0.750 inches

End Application:

1055-01-450-4243; multiple launch rocket system (mlrs)

Component Type And Quantity:

1 retainer

Special Features:

Item is sight glass retainer; material of stainless steel; nha is hydraulic reservoir

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
