Connector Manufacturer Code:

10083

Actuation Method:

Buoyancy

End Application:

Wsm2700wawaa home laundry combo

Electrical Connection Type:

Connector receptacle

Connector Identification:

131692000

Operating Temperature Rating:

72.0 degrees fahrenheit

Mounting Position:

Horizontal

Relay:

Included

Liquid Type For Which Designed:

Water

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T109-d
