End Application:

Tornado, tsc3-407

Product Name:

Single level switch

Special Features:

Float operated level switch; 2 mm leads; suitable for most corrosive liquids, and for high temperatures and pressures

Material:

Steel, corrosion resisting

Material:

Stainless steel

Shape:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T313-n
