Liquid Level Switch Float - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6680-01-505-5251

Thread Provision:
Unthreaded
End Application:
Switch, liquid level
System For Which Designed:
Closed
Connection Type:
Tube through center
Special Features:
Actuated magnetically by permanent magnets in float
Material:
Rubber
Material:
Rubber
Shape:
Cylindrical
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T313-n
