Overall Length:

7.500 inches

Overall Height:

2.350 inches

Overall Width:

3.800 inches

Measurement Unit:

Feet per minute

Smallest Increment Indicated:

0.0

Special Features:

Hand held; measures velocity: 0 to 9999 ft/min; volume: 0.2 to 2600000 cfm; and temperature: 0 to 200 degrees f; does not store data; 42.000 in articulated grobe; lcd display, microprocessor based; english/metric switchable; time constant: 1 to 30 sec intervals; uses 4 c size batteries

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T134-b
