Presentation Type:

Digital display

Product Name:

Velocicalc plus multi-parameter ventilation meters

Special Features:

Lmeasures velocity, temperature, differential pressure, humidity; calculates volumetric flowrate; requires 4 aa batteries or ac adapter;
probe lg. 40 in., probe dia. Of tip 0.276 in., probe dia. Of base 0.395 in.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A534s0
