Overall Length:

42.187 inches

End Application:

Port storage tank

Sight Height:

36.000 inches

Maximum Tempurature Rating:

300.0 degrees fahrenheit

Maximum Working Pressure:

350.0 pounds per square inch

Material:

Steel comp 304

Media For Which Designed:

Hydraulic fluid

Style Designator:

Double-mount glass cylinder

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A43400
