**End Application:**

Miscellaneous parts list for lpd 0013

**Electrical Connection Type:**

Connector receptacle

**Operating Temperature Rating:**

750.0 degrees fahrenheit

**Mounting Method:**

Clamp

**Mounting Position:**

Vertical

**Float And Contact Positions:**

Float down, contacts closed and float up, contacts open

**Special Features:**

1/2in npt; j-box terminated; stainless steel construction and clamp; 20va

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T109-d
