End Application:

Miscellaneous parts list for lpd 0013

Electrical Connection Type:

Connector receptacle

Operating Temperature Rating:

750.0 degrees fahrenheit

Mounting Method:

Clamp

Mounting Position:

Vertical

Float And Contact Positions:

Float down, contacts closed and float up, contacts open

Special Features:

1/2in npt; j-box terminated; stainless steel construction and clamp; 20va

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-d
