Overall Length:

14.750 inches

Actuation Method:

Buoyancy

End Application:

Ramp assembly, bow

Float Quantity:

2

Mounting Dimensions:

1" npt plug

Product Name:

Ls-700 type level switch

Special Features:

3-pin hirshman connector electrical; 1" npt mounting plug; unit is brass stem and mounting with 2 buna n floats; two floats, I1 (low acuation) is 13.75" - I2 (high actuation) is 2.5"

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-d
