Overall Diameter:

129.0 millimeters

End Application:

Console ship cont 4980a100091-1

System For Which Designed:

Closed

Thread Location:

Internal

Connection Type:

Threaded

Product Name:

Switch

Special Features:

Max pressure at 20 degrees celsius 30.0; operating temperature 400 degrees celsius max; float length 5 ft nom

Material:

Steel, stainless

Material:

Stainless steel

Quantity:

1

Shape:

Oval

Thread Size And Series/type Designator:

M20x1.5-6h

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T313-n
