Mounting Type:

Surface

Width:

1.499 inches

Length:

6.330 inches

Current Type:

Dc

Media For Which Designed:

Gas

Voltage Rating:

15.0 volts

Case Shape:

Rectangular

Special Features:

15-pin type d connectors; normally closed dp valve; 145 psig maximum inlet pressure; 0-50 degrees c operating temperature; 0-5 vdc output signal; viton seals; electromagnetic compliant

Height:

5.620 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T134-s
