End Application:

3990-01-444-6174; distributor, bitum

Maximum Temperature Rating:

500.0 degrees fahrenheit

Maximum Working Pressure:

1500.0 pounds per square inch

Product Name:

Plated steel liquid level sight high pressure

Special Features:

Without reflector

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A43400
