Overall Height:

7.000 inches

End Application:

Eurofighter hydraulic pump test rig

Pressure Rating:

500.000 pounds per square inch gage

Product Name:

Level switch

Special Features:

Viton o ring; brass housing; brass stem and mounting; 316 stainless steel float; minus 40 to plus 300 degrees farhenit operating temperatuare; spst, 20 volt switch; polymeric lead wires

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T145-b
