Product Name:

Anemometer compuflow thermo

Special Features:

Range: velocity, 20-9999fpm; volume depends on velocity and duct size; temp, 0-140 degrees f; humidity, 0-95% rh; four c-size alkaline battery power source; 24 hr average battery life

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T179-c
