End Application:

Tank level indicator model ps66.Mxacb2hknanps

Electrical Connection Quantity:

1

Case Material:

Steel comp 316

Product Name:

Tank level indicator

Special Features:

Radar sensor 1.5 inch weled boss; pressure range: 30 psi; voltage: 24 vdc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A533y0
