End Application:

Lgm-30 brine chiller

Product Name:

Flow meter, brine

Special Features:

Temp range 0 degrees far startup, 40 to 122 far ambient operating, -50 to 150 far ambient non operating, -65 to 155 far ambient non operating for 15 days max,

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T134-d
