End Application:

Liquid level gauge shock and vibration testing mil-i-20037, ty ii, cl b, 1/2 flg

Indicator Type:

Ball float

Mounting Method:

Flange

Float Material:

Steel, corrosion resisting, aisi 316

Float Protective Case:

Provided

Float Guide Wire:

Not provided

Oil Seal:

Provided

Product Name:

Inavy-sight indicator

Length:

4.547 feet

Material:

Bronze

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T179-g
