Overall Length:

3.234 inches

End Application:

Hydraulic starter unit hs43-a9-0799-d

Product Name:

(inavy) level switch

Special Features:

Level switch with 1/2" npt mounting, used to enable switch replacement without downtime, has operating pressure from 0 to 2500 , mounted in horizontal to 45 degrees from horizontal only

Material:

Steel

Surface Treatment:

Zinc and nickel

Thread Size And Series/type Designator:

3/4"-16 unjf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
