Overall Length:

6.140 inches

Overall Height:

2.360 inches

Overall Width:

1.290 inches

Product Name:

Digital air flow/volume meter

Special Features:

Measures feet per minute & cubic feet per minute, measures temperature & humidity, data hold, one-hand operation, multi-channel display, measures light levels, standard k-type thermocouple connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
