End Application:

0607-3638-01, liquid level indicator

System For Which Designed:

Closed

Product Name:

(inavy)float replacement

Special Features:

Chamber must be vertically level to insure proper operation of float

Material:

Steel

Material:

Steel

Shape:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T313-n
