Thread Size:

1-11.5

Case Material:

Plastic

End Application:

Oil tank for 11k power unit

Screw Thread Series Designator:

Npsm

Indicator Type:

Dial

Scale Calibration:

1/4 tank increments

Scale Type:

Movable

Mounting Method:

External pipe connection

Oil Seal:

Provided

Product Name:

(inavy)indicator, dial; remote guage assembly

Special Features:

Black in color; frame and pointer are stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T179-g
