Ac Voltage Rating:

120.0 volts

End Application:

4520-01-566-6669 heater, water, 400, 000 but (wh-400)

Product Name:

Conducted actuated level controls, series 750b

Special Features:

Design: panel mount; function: low water cut-off; voltage: 120vac; sensitivity (kilo-ohms): 26k; lwco delay: 03; temp storage: m40f to 150f; ambient temp: 0f to 150f; humidity: 85percent (non-condensing); contact rating: 7.2a, 1/3hp, 120vac; power consumption: 1.5va

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A533y0
