**Diameter:**

4.250 inches

**Length:**

38.687 inches

**End Application:**

Unit, 6201

**Presentation Type:**

Drop flags

**Product Name:**

Indicator, liquid lvl

**Special Features:**

Suresite, type v11-87000 aff level indicator type 8, hi-shock w/xmtr; used on; turbine water wash supply system

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A533y0
