Diameter:

4.250 inches

Length:

38.687 inches

End Application:

Unit, 6201

Presentation Type:

Drop flags

Product Name:

Indicator, liquid lvl

Special Features:

Suresite, type v11-87000 aff level indicator type 8, hi-shock w/xmtr; used on; turbine water wash supply system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A533y0
