End Application:

Boat, harbor securit type 27ft 27hso 801, 802, 803, 804, 805, 806, 807

Presentation Type:

Digital display

Display Type:

Liquid crystal

Product Name:

Kit, tachometer

Special Features:

Readout displays: engine rpm- trim angle- oil level- warning lamps- overheat warning lamp- hour metwer for trip (resettable) and total operating hours

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A532q0
