·
Distance Between Mounting Facility Centers:
26.312 inches
End Application:
Indicator liquid level
Product Name:
Inavy-bronze liquid level gauge
Special Features:
Material is alloy 632m; type i non-automatic ball check
Material:
Copper alloy
Style Designator:
Gage valve
Thread Series Designator:
Npt both ends
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A43400
