Wire lead End Application: Boat, harbor security, 27ft, 27hs0801 Product Name:	
Terminal Type: Wire lead End Application: Boat, harbor security, 27ft, 27hs0801 Product Name: Fuel and water tank sensors (4-60 in.)	
End Application: Boat, harbor security, 27ft, 27hs0801 Product Name:	
Boat, harbor security, 27ft, 27hs0801 Product Name:	
Product Name:	
Fuel and water tank sensors (4-60 in.)	
,	
Special Features:	
Material: 316 type-stainless steel and operate on vertical plane (no float arm); mounting: standa	ard sae 5 hole patterns, 2.125in. Bolt circle
supplied w/gasket, but without mounting screws.	
Shelf Life:	
N/a	
Unit Of Measure:	
Demilitarization:	
No	
Fiig:	
T145-b
