Body Material:

Brass

Specific Gas For Which Designed:

Oxygen

Product Name:

Regulator pressure medical gas administration oxygen regulator

Special Features:

Filter: 50 micro sintered bronze; body material: nickel plated brass; 0-25 lpm; 2 check valves; hose barb outlet; with 1.5 in diameter low profile contents gauge

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T121-b
