Overall Length:

75.25 inches

Product Name:

Levelsite

Special Features:

Maintenance free; rugged; system pressure 150 psi; process connection ansi class 150 1-1/2 inch raised face flange; float type specific gravity=0.75 minn, temp 302 degrees f; base configuration, side/side process connections

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A43400
