**Overall Length:**

75.25 inches

**Product Name:**

Levelsite

**Special Features:**

Maintenance free; rugged; system pressure 150 psi; process connection ansi class 150 1-1/2 inch raised face flange; float type specific gravity=0.75 minn, temp 302 degrees f; base configuration, side/side process connections

**Material:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A43400
