**Overall Length:**

1800.000 inches

**Overall Height:**

1032.000 inches

**Overall Width:**

468.000 inches

**Product Name:**

Positive displacement liquid flow calibrator model no. Pdcl 10

**Special Features:**

Fluid types are hydrocarbon oils or water; flow range is 0.01 to 10 gpm

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A23900
