Overall Length:

1800.000 inches

Overall Height:

1032.000 inches

Overall Width:

468.000 inches

Product Name:

Positive displacement liquid flow calibrator model no. Pdcl 10

Special Features:

Fluid types are hydrocarbon oils or water; flow range is 0.01 to 10 gpm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
