Overall Length:
1800.000 inches
Overall Height:
1032.000 inches
Overall Width:
468.000 inches
Product Name:
Positive displacement liquid flow calibrator model no. Pdcl 10
Special Features:
Fluid types are hydrocarbon oils or water; flow range is 0.4 to 400 gpm
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A23900
