Diameter:

3.000 inches

Length:

5.250 inches

Contact Quantity:

4

Contact Type:

Screw

Scale Range:

-100.0/+800.0 degrees celsius single indicator single scale

Electrical Connection Quantity:

4

Mounting Facility Type And Quantity:

1 clamp

Special Features:

Scale calibration: 1 degrees c; scale name: temperature; thermocouple material: metal; depth behind mounting flange: 4.625 in.Nom

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A533y0
