**Diameter:**

3.000 inches

**Length:**

5.250 inches

**Contact Quantity:**

4

**Contact Type:**

Screw

**Scale Range:**

-100.0/+800.0 degrees celsius single indicator single scale

**Electrical Connection Quantity:**

4

**Mounting Facility Type And Quantity:**

1 clamp

**Special Features:**

Scale calibration: 1 degrees c; scale name: temperature; thermocouple material: metal; depth behind mounting flange: 4.625 in.Nom

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**
