Pressurizing Set Control - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6685-00-133-7525

Operating Range:
Vacuum to 3000 psig
Maximumlength:
11.000 inches
Maximumwidth:
17.000 inches
Maximumheight:
9.500 inches
Special Features:
Control panel with 5 regulators and shut-offs, 3 gages-vacuum regulated pressure and inlet pressure, precise pressure control using boyle's
law
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A31700
