End Application:

6605-01-252-9480 navigation unit

Product Name:

Temperature control module

Functional Description:

Controls the temperature of the gyro test fixture during cover positioning, post seal, laser and vibration testing for p/n k130a079-01/02 gyroscope

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
