Thread Length:

0.312 inches

Overall Length:

3.750 inches

Outside Diameter:

1.687 inches

Operating Temperature Range:

+0.0/+100.0 degrees celsius

End Application:

Aircraft, sky warrior a-3

Unit Type:

Protective tube

Mounting Facility Type And Quantity:

1 thread

Features Provided:

Gasket

Distance Across Wrenching Surface Flats:

1.750 inches

Accommodated Contact Type And Quantity:

1 female insert

Style Designator:

Transmitter, 24v dc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A27600
