**Overall Height:**

2.062 inches

**Mounting Method:**

Flange and gland nut

**Flow Control Device:**

Solid expansion

**End Application:**

Poseidon

**Largest Outside Diameter:**

2.420 inches

**Accessory Components And Quantity:**

Capillary tube and bulb, 1

**Usage Design:**

Control valve

**Thermostat Type:**

Bellows

**Spring Operated Pressure Relief:**

Not provided

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T121-c
