Flow Control Thermostat - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6685-00-334-3871

Overall Height:
2.062 inches
Mounting Method:
Flange and gland nut
Flow Control Device:
Solid expansion
End Application:
Poseidon
Largest Outside Diameter:
2.420 inches
Accessory Components And Quantity:
Capillary tube and bulb, 1
Usage Design:
Control valve
Thermostat Type:
Bellows
Spring Operated Pressure Relief:
Not provided
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T121-c
